FBCA LOVES Suriname Mission 2019

Please PRAY.....

- God would be glorified by EVERY aspect of our trip
- Each of us, as well as the nationals with whom we work and share with would have a personal and powerful encounter with God
- The unconditional love of God would radiate in and through each of our lives
- God would put a hedge of protection around the entire trip
- Satan would be bound from anything that distracts anyone from hearing the voice of God in the area where we'll be sharing
- All participating on this trip would be sensitive to the leading of the Holy Spirit
- God's Word would be proclaimed with power and produce life change (transformation)
- God would give us strength and good health through the trip
- God would protect and provide for family members back home
- God would give wisdom to those speaking and teaching and listening ears to the people we come in contact with during the trip
- Divine appointments, both with those we share with as well as other we might encounter while traveling
- All team members and translators would be bold and creative in sharing our faith
- We would make quick adjustments to time and cultural changes
- That revival would break out with people to whom we minister
