SERVANTHOOD

#seeneedmeetneed

But whoever wishes to become great among you shall be your servant; and whoever wishes to be first among you shall be slave of all. For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many. **Mark 10:43b-45**

FBCA is under the jurisdiction and leadership of a school board appointed by the membership of First Baptist Church Moss Bluff. The board, consisting of 7 members is the primary policy making body of the school. The school board meets monthly, or as needed, with the school principal to review the general operation of the school. They assist the principal in a resource and advisory capacity in establishing and enforcing school policies. The principal directs the operation of the school. The pastor and administrator are the final authority for the school. Most of all, the desire is for Jesus Christ to work through the school staff and to direct in this great ministry with children. Please pray for these leaders and all staff members as they work in the school.

FBCA is a member of the Association of Christian Schools International (ACSI) and also the Southern Baptist Association of Christian Schools (SBACS).

PURPOSE OF DOCUMENT

First Baptist Christian Academy, a private education ministry of First Baptist Church Moss Bluff, is managed by its School Board and appointed Principal. This policy manual is intended to provide guidelines and directives in regard to general policies, operations, and guiding philosophy of the school. As such, this document contains important information for implementing management plans and operations essential to meeting and maintaining the school objectives. At any time, however, the Holy Spirit may lead the school board or principal to alter the normal protocol for a particular situation. The principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his or her discretion.

FBCA ORGANIZATIONAL CHART

FBCA MISSION

Our Mission: First Baptist Christian Academy partners with families to equip, challenge, and inspire students to impact the world for Christ by living out Biblical truth.

A First Baptist Christian Academy education...

is Christ-centered: Jesus Christ is the embodiment of all knowledge, wisdom, virtues, and truth (Col. 1-3). First Baptist Christian Academy desires to give Christ the preeminence in all things. He is the standard for everything we do and teach.

supports families: God established the family as the foundational institution for life on earth (Gen. 2:22-25). Parents are responsible before God for the nurturing and training of their children (Deut. 6:7, Eph. 6:4). Parents have the help of the church and the Christian school in fulfilling their God-given mandate. FBCA seeks to be a support—not a replacement—for the home and the church.

is academically excellent: We seek excellence in all things, but especially in academics. FBCA strives to maintain a rigorous academic standard for all our students. We reject educational practices that lower academic standards so all students can be “successful.” Rather, FBCA helps students be truly successful by meeting high academic standards.

We lead our students to...

live according to Biblical truths: The Bible is God's infallible Word. It is the standard for faith and life (2Tim. 3:16). Our students are trained to understand the Bible and to apply its truth.

receive Jesus as Savior: The Bible teaches that all people are spiritually dead because of sin (Rom. 3:23, 6:23). However, Christ died to pay for the penalty of sin (Rom. 5:8). Trusting in Jesus as Savior is the beginning of spiritual life in God (John 1:12).

become responsible citizens: FBCA provides a solid curriculum in the arts and sciences to equip students to live as responsible citizens. Good study habits combined with a rigorous curriculum prepare FBCA students for a lifetime of learning. Essential character traits such as honesty, courage, and kindness are nurtured. Christians are further challenged to live as salt and light in a fallen world (Matt. 5:13-16).

STATEMENT OF FAITH

The following statement expresses the doctrinal standards of First Baptist Christian Academy:

We believe in the historic Christian faith, which includes these truths among others that are equally precious:

- the full truthfulness, inerrancy and the authority of the Bible which is the Word of God;
- the holiness and the love of the one sovereign God, Father, Son and Holy Spirit;
- the true deity and sinless humanity of our Lord Jesus Christ; His virgin birth; His atoning death, "the just for the unjust;" His bodily resurrection; His glorious coming again;
- salvation by grace through faith alone;
- the oneness in Christ of those He has redeemed with His own precious blood.

EXPANDED STATEMENT OF FAITH

Of the Scriptures:

We believe in the authority and sufficiency of the Holy Bible consisting of the sixty-six books of the Old and New Testaments, as originally written; that it was verbally and plenary inspired, that it was the product of Spirit-controlled men and therefore is infallible and inerrant in all matters of which it speaks. We believe the Bible to be the true center of Christian unity and the supreme standard by which all human conduct, creed, and opinions shall be tried. (II Timothy 3:16-17; II Peter 1:19-21)

Of the True God:

We believe there is one and only one living and true God, an infinite Spirit, the Maker and supreme Ruler of Heaven and earth; inexpressibly glorious in holiness and worthy of all possible honor, confidence, and love; that in the unity of the Godhead there are three persons - the Father, the Son, and the Holy Spirit - executing distinct but harmonious offices in the great work of redemption. (Exodus 20:2-3; I Corinthians 8:6; Revelation 4:11)

Of Jesus Christ:

We believe that Jesus Christ was begotten of the Holy Spirit in a miraculous manner; born of Mary, a virgin, as no other man was ever born or can be born of a woman; and that He is both the Son of God and God the Son (Isaiah 7:14; Matthew 1:18-25; John 1:1,14). We further believe

that the salvation of sinners is divinely initiated and wholly of grace through the mediator's offices of Jesus Christ, the Son of God, who by the appointment of the Father, voluntarily took upon Himself our nature, yet without sin, and honored the divine law by His personal obedience, thus qualifying Himself to be our Savior; that by the shedding of His blood in His death, He fully satisfied the just demands of a holy and righteous God regarding sin; that His sacrifice consisted not in setting an example by His death as a martyr but was a voluntary substitution of Himself in the sinner's place, Christ the Lord bearing our sins in His own body on a tree; that having risen from the dead, He is now enthroned in Heaven, where He ever liveth to intercede on behalf of the believers (John 3:16; II Corinthians 5:21; I Peter 2:24).

Of the Holy Spirit:

We believe that the Holy Spirit is a divine person, of the same nature as God the Father and God the Son; that He was active in the creation; that in His relation to the unbelieving world, He restrains the evil one until God's purpose is fulfilled; that He convicts of sin, of righteousness, and of judgment; that He is the agent in the new birth; that He seals, empowers, guides, teaches, witnesses, sanctifies, and helps the believer. (Genesis 1:1-3; John 16:8-11; John 3:5, 6; Romans 8:14, 16, 26-27; Luke 24:49)

Of Man:

We believe that man was created in innocence (in the image and likeness of God) under the law of his Maker. By voluntary transgression, Adam fell from his sinless, happy state, and all men sinned in him. Consequently, all men are totally depraved and are partakers of Adam's fallen nature. We are sinners by nature and by conduct, and therefore are under just condemnation without defense or excuse and in need of salvation by the Savior.

Of Salvation:

We believe that faith in the Lord Jesus Christ is the only condition of salvation. For a person to be saved, he/she must confess with his/her mouth that Jesus is Lord and believe in his/her heart that God the Father raised Jesus from the dead. (Romans 10:9)

Of the Church:

We believe the Church is the living body of believers in Christ (those who by faith have accepted Jesus Christ as their Lord and Savior) on earth, both universally and locally. We believe the true mission of the church is the faithful witnessing of Christ to all men as we have opportunity. (Acts 20:17-28; Acts 2:41, 42)

Of Marriage, Gender and Sexuality:

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10)

We believe that in order to preserve the function and integrity of First Baptist Christian Academy as the local Body of Christ, and to provide a biblical role model to the FBCA members and the community, it is imperative that all persons employed by FBCA in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thes. 5:22)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of FBCA.

On the Sanctity of Human Life:

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139)

Final Authority for Matters of Belief and Conduct:

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of First Baptist Christian Academy's faith, doctrine, practice, policy, and discipline, Preacher is FBCA's final interpretive authority on the Bible's meaning and application.

STATEMENT OF PHILOSOPHY

First Baptist Christian Academy provides a Christ-centered education in a disciplined environment. Parents are given the ultimate responsibility for teaching their children in the ways of God (Deut. 6:6-7). Our school seeks to be partners with the parents to provide a quality Christian education that will encourage each child to grow spiritually, academically, socially, physically, and to reach his or her greatest potential.

ACADEMIC POLICIES**Homework**

Students will record homework on a daily basis. This documentation will serve as a communication tool between parents and teachers. Students are required to record all assignments including class work, homework, projects, test dates, etc. This practice will assist the student in making sure they have everything they need to pack their backpacks at the close of the school day.

Students may have homework several evenings each week. Please remember that time on nightly homework varies according to student ability and work habits. Students should be reading and practicing fact families each night. Homework is not considered complete until the assignment has been turned in to the teacher.

Homework is assigned throughout the week with the exception of Wednesdays.

If homework is assigned on Wednesdays, it should be lighter to allow students to attend mid-week church activities. Due to absences, make-up assignments may be assigned on Wednesdays.

Achievement Testing

Each child is given a standardized test in the spring of each year to determine his progress as well as scholastic strengths or weaknesses. It is important that students are present and at their best on these test days.

Grading System

The seven-point grading scale is used in grades K-8 for certain subjects; and Outstanding, Satisfactory, or Needs Improvement are used in others.

A - 100-93	C - 84-77	F - 69-0
B - 92-85	D - 76-70	

Report Cards

Report cards will be issued every 9 weeks (4 times a year). Report cards must be signed by the parent or guardian and returned promptly to the teacher. Semester report cards may be held or end-of-the-year report cards and/or transcripts may be held due to unpaid fees or tuition.

Academic Probation

Students earning a "D" or "F" on a progress report or report card will result in the student being placed on academic probation. The student will have three weeks to increase their GPA and show significant improvement by completing classroom assignments, homework, and classroom expectations. No significant change may result in dismissal of the student.

Academic Achievement

- a. Students receiving all A's will make Banner Roll for the quarter.**
- b. Students receiving A's and B's will make Honor Roll for the quarter.**

Retention Policy

**Students are promoted or retained based upon the teacher's recommendation, passing required subjects, and standardized testing results. FBCA employs professional teachers and their input regarding retention of a student is often requested. The student's future education is always the criteria for this decision.*

In grades 1st-8th, students must pass all core subjects in order to be promoted to the next grade. Core subjects are reading, math, language, science, and history. Spelling is not considered a core subject.

ADMISSIONS POLICY

Notice of Nondiscriminatory Policy: FBCA admits students of any race, color, and national or ethnic origin.

FBCA attempts to serve a large cross-section of students, accepting those with average and above average abilities. ***While the school is sympathetic with parents of learning disabled students or students with health issues, the limited resources available to us as a private school require that we limit our enrollment to students who can work at grade level, and do not need medical attention. Also, students who have demonstrated serious behavior violations will not be accepted for enrollment.***

To enter Kindergarten the student must be 5 years old before September 30th of the school year.

FBCA encourages that parents of students be members of a local Christian church as evidence that the parents are also actively working toward Christian training of the child.

Admissions Procedures

1. Complete and sign the enrollment application.
2. Read the handbook thoroughly.
3. Submit the enrollment form, application fee, immunization record, and birth certificate. Transferring students must submit copies of their most recent report card or transcript and achievement test scores as well as a discipline form (provided by FBCA). The discipline form and other school records should be completed and faxed by an administrator from the transferring school to 337-855-8484.
4. For new applications the parents and student(s) must make an appointment for an interview with the school. School policies and answers to any questions about the school will be addressed at that time. Note: It may be necessary to interview and even sometimes test the student along with one or two faculty members from the appropriate grade(s).
5. Shortly after the interview, parents will be notified of the child's approval for admission, non-approval, or placement on the waiting list.
6. Upon notification of approval, the **non-refundable registration and instructional fees** must be paid to complete the enrollment.
7. All transfer students must have at least a 2.0 grade average (4 point scale) on the last report card or test at grade level on an assessment administered by FBCA. Please note: **FBCA does not have the resources to fulfill IEP or 504 plans for individual students.**
8. Parents and students seeking admission into the middle school must sign a disclosure at registration, which affirms that the student has had no involvement with drugs, alcohol, paternity or maternity, and is not or has not been under the supervision of a parole officer or under the custody of juvenile court within the previous year. No student expelled from another school will be accepted.

Withdrawal and/or Transfer Policy

A parent or guardian must make a written request within 24 hours for withdrawal of a student. All school property must be returned. Final completion of all obligations must be cleared through the proper school personnel.

Safety Tips and Guidelines

Students should stay buckled up until the vehicle has stopped in the drop-off and pick-up area.

They should be ready to get out of the vehicle with their belongings when the vehicle has stopped and they have unbuckled their seatbelt. Students should always get in and out of the backseat of the vehicle through the side door closest to the sidewalk. If a teacher has no option but to go to the passenger side of the vehicle to load or unload a student, they will go in front of the vehicle for safety reasons.

In order to keep traffic moving when dropping students off in the morning, please have them completely ready to get out of the vehicle before pulling under the canopy.

Arrangements for pick-up should be made with your child BEFORE dropping them off at school each morning. Please do not phone the office for changes unless an emergency arises.

BIBLE

God's Word is taught daily to all students. A Bible lesson is taught by the teachers each day. Every subject is taught from a Biblically integrated point of view. All classes participate in Scripture memorization. The New King James Bible, New International Version Bible, or New American Standard Bible may be used for all Scripture memory. This is at the discretion of the teacher.

CLASSROOM PARTIES

1. Parties may be held in the classrooms during the last school day before Christmas and Easter break. The theme of Christmas parties must be about celebrating Christ's birth. Likewise, the theme of Easter parties must be about celebrating Christ's resurrection. Although FBCA does not promote pagan holiday characters, the staff will respect the parents as the authority of their children. If a staff member is asked about his/her belief by a child, he/she will simply redirect them to Jesus. **FBCA does not celebrate Halloween.**
2. There are special worship services planned for the major holidays, and parents are welcome to attend.
3. If a parent wishes to celebrate their student's birthday by bringing cupcakes, the parent is to leave the cupcakes at the front desk. The classroom teacher will pick up the cupcakes and decide when to share them with the class.
4. Parents who prepare letters or notes to be sent home with students should get them approved by the principal.

CODE OF CONDUCT

Student Expectations

First Baptist Christian Academy promotes a vital, personal relationship with God through faith in Jesus Christ for all its students and encourages students to measure their lives against scriptural standards of conduct. "Don't let anyone think less of you because you are young, but be an example to the believers in work, in conversation, in love, in spirit, in faith, and in purity." (1 Timothy 4:12)

A student is expected to exemplify respect, integrity and promptness while maintaining a positive attitude and self-control. They must dress appropriately and modestly, according to their biological sex, adhering to the stated school dress code policy. Bathroom use is also according to biological sex.

FBCA reserves the right to discipline, suspend, or expel a student who is guilty of gross misconduct whether occurring on or off the school campus. Consequences will be determined at the discretion of the administrator and/or FBCA School Board.

Electronics Use Policy

Cell Phones

The use of cell phones, Smart Watches, Fitbits, and any other electronic devices deemed unnecessary for learning by the school principal will be strictly prohibited between the hours of 7:55 a.m. and 2:55 p.m.

- Parents should not text or call their student directly. Communication between parents and students will need to come through the school office.
- Students are not allowed to use a device to take pictures, video, or record unless authorized by a teacher or during a permitted usage time as noted above.
- The school administration reserves the right to examine any and all contents of a confiscated phone, tablet or other electronic device. These items will be taken up and the following consequences will be enforced:

1st Offense: The item will be taken up and turned into the principal. The parent will be notified. The student will be able to pick up the device after school.

2nd Offense: The item will be taken up and the parent will be contacted. A parent must pick up the device from the principal.

3rd Offense: The item will be taken up and the parent will be contacted. A parent must pick up the device. The student will lose the privilege of bringing electronic devices on campus for the remainder of the school year. If the student is caught with an electronic device on campus after the 3rd offense, he/she will be suspended.

FBCA makes no warranties of any kind, whether expressed or implied, for the service it is providing. FBCA will not be responsible for any damages including loss of data resulting from delays, non-deliveries, miss-deliveries, or Internet service interruptions caused by its own negligence and/or user errors or omissions. Use of any information obtained via the Internet is at the user's own risk.

The principal reserves the right to expel a student from the school. Parents may choose to petition the FBCA Board if there is a desire to continue at FBCA. The Board will make the final decision concerning the expulsion. If a student were to be expelled, he/she may not apply for re-enrollment to FBCA for at least one full year from the date of expulsion.

Conduct Marking

An important evaluative notice to parents and students is found in the conduct mark given by teachers and placed on progress reports and report cards. Conduct marks are important, in that high marks are necessary in order for a student to remain eligible for activities, clubs, and honors. Conduct marks are also considered in determining whether or not a student will remain enrolled in the school. Middle school students do not receive conduct grades.

Conduct marks include the following:

O - Outstanding

S - Satisfactory

N - Needs Improvement

COMMUNICATION

Communication with parents/guardians is very important. Teachers will return phone calls and email messages in a timely manner.

Communication about students and their performance or behavior in class must be discussed with the parents by the teachers. **Please do not expect teachers to return a text message during class time. Texts are only to be answered during a teacher's planning time or after school.**

1. Teachers may use the "Remind" or "Blooms" apps to communicate with parents concerning classroom activities and other information. If parents have an email address on file, they may receive periodic communication from the teacher through it as well.
2. "Remind" will be used to communicate with parents by a school-wide text message. This is an optional service, and instructions will be sent home with enrolled students for parents to "sign-up" to receive these messages.
3. Eagle News - A weekly newsletter will be posted online with dates of upcoming events as well as any important announcements concerning students or the school.
4. FBCA's website and Facebook page will be updated weekly with upcoming events to keep parents informed.

It is the policy of FBCA to communicate with parents about their child's progress. At the fourth week of each nine-week grading period, the teacher will provide notice of progress to the parent/guardian. Progress reports should contain academic, behavioral and attendance information. Teachers are encouraged to telephone parents, send notes, or arrange conferences to discuss the progress of any student whose academic progress, conduct, or attendance is not satisfactory.

CONFERENCES

Conferences should be scheduled as needed. Confidentiality about students is important. Teachers will not discuss a child's individual needs or progress while on duty, in the hallway, or while other children or adults are present. Parents should not expect a teacher to engage in conversation concerning academic progress or behavior of their child when the teacher is supervising other children.

*Parents are allowed to discuss complaints or concerns with a teacher by appointment only. All teacher conferences are to be arranged by calling the office or emailing the teacher. **Parents are not allowed to disrupt a class at any time.***

CONFLICT

Conflict between two people will occur, however how we handle conflict is very important. There is a godly way to solve any and all problems between people in any community, especially the Christian school or church.

There is a workable and successful process, given by the Lord Jesus Christ. It is found in the Bible in Matthew 18, thus it is known as "the Matthew 18 Principle." FBCA will use the Matthew 18 Principle within every relationship where there is conflict.

The "Matthew 18 Principle"

Matthew 18:15-17 says, "Moreover if a brother shall trespass against you, go and tell him his fault between you and him alone; if he will hear you, you have gained your brother. But if he will not hear you, then take with you one or two more, that in the mouth of two or three witnesses every word may be established. And if he will neglect to hear them, tell it unto the church; but if he neglects to hear the church, let him be unto you as a heathen man and a publican."

The application in a school setting is:

It is important that the matter be taken directly to the person who the conflict is with to resolve the matter, rather than bystanders who are not responsible for taking action to solve it. Therefore, when a serious problem arises between people in the school (and this can be any combination of people such as: parent-teacher, parent-parent, parent-administrator, teacher-administrator, student-teacher, school board member, or administrator, etc.) the parties involved are to meet to seek the Lord's solution in the matter. This is a Matthew 18 meeting.

Almost all problems can be resolved at this level. (* See additional guidelines below that will facilitate this process.)

The few problems which are not resolved at level one, move on to the next level, which includes another person, usually the principal who may be involved in a joint conference with the parties. Beyond this level, the matter may be taken to the school's governing board by the school administrator. If these procedures are followed with the right spirit, a matter of this type would rarely, if ever, have to go before the School Board. In practical terms, the applications of this principle become clearer when each person realizes that they go only to the people involved when starting this procedure. Persons in school authority will not accept complaints about school personnel if the complainer has not

gone to the person according to Matthew 18, nor will the complainer speak critically of the other person to people within or without the school family prior to meeting to resolve the difference. There is no by-pass of steps, or people. Issues are to be handled decently and in order—one step at a time—directly with and about the matter at hand in the application of these Biblical principles.

Additional Guidelines for a “Matthew 18” Meeting are:

1. Keep the matter confidential.
2. Keep the circle small.
3. Be sure you know all the facts.
4. Be straightforward in love.
5. Be humble and submissive.
6. Be quick to forgive.
7. Pray and work for a solution and resolution.
8. “Love never fails.” I Corinthians 13

Social Media

Social media has become an effective way to communicate between the school and community. It can have a huge influence on learning since it involves collaboration between students, parents, and teachers. FBCA parents and students are encouraged to act responsibly and respectfully at all times. Any differences of opinion or misunderstandings relating to policies, faculty/staff, etc. should not be handled in public forums like social media. The "Matthew 18 Principle" should be applied.

CURRICULUM

The elementary/middle school consists of Pre-K through grade eight. Pre-K & Kindergarten classes are structured and students are taught academic skills according to school-set standards. Students in grades one and two are given more instruction in reading, language arts, mathematics, and Bible, than in fine arts, social studies, health, and science. More attention is given in the older grades to science and social studies. Enrichments for elementary and middle school include H&PE, Spanish, music, library, and computer skills. Throughout all grades, the basic skills of reading, writing, and mathematics are stressed. FBCA uses excellent academic curriculums that have Christian principles and values taught throughout all subjects, for all grades.

DRESS CODE

The Uniform policy is required for all students K–8.

Standards of dress are important to our school. Clothing for students in school must be modest, safe, appropriate, and exhibit good taste. All FBCA students must dress appropriate to their biological sex. The purposes of the dress code are as follows:

1. Uniform dress limits subjection to peer pressure in regard to expensive designer clothing or fashions.
2. Uniform dress contributes to a disciplined environment that molds academic, moral, and ethical behavior. One's attire should exhibit respect for oneself, fellow students, and teachers.

Adherence to the dress code is the first and most tangible rule of the school to which an entering student must respond. Consistent and blatant non-compliance reveals an attitude of rebellion and disrespect for authority. The distraction caused by non-compliance affects teachers, students, administrators, and office staff. When a student is observed by a faculty member or principal to be in violation of the following code, the teacher will send the parent or guardian a written reminder. If the student is in violation a second time, the parent/guardian will be contacted and the parent/guardian will either bring the appropriate attire to school so the student can change or take the student home to make any needed alterations. Parents are urged to supervise their child's dress on a **daily** basis.

To prevent a hardship, it is encouraged/recommended that parents send an extra belt (under garments and uniform for younger students, if needed) labeled in a zip-lock bag with student's name to the homeroom teacher.

7. Dog collars, choke collars and/or chains, spiked or otherwise, as well as sweatbands or other armbands are totally against the dress code policy.

EMERGENCY SCHOOL CLOSING

In the event of emergency closing parents will be made aware by the following:

- Postings on FBCA website (www.fbcamb.org)
- "Remind" text message
- Announcements on KPLC TV
- FBCA Facebook site

Generally, if it is announced that the Calcasieu Parish School Board will close, FBCA will do the same.

EXTRA-CURRICULAR ACTIVITIES

FBCA is a member of ASCI, which enables our school to compete with other Christian schools in our area. A list of activities will be provided throughout the school year.

All students start the school year eligible and will remain eligible unless they earn a "D" or "F" in any subject or receive (2) N's in conduct. Eligibility is based on one reporting period to the next.

FIELD TRIPS

Field trips are often conducive to the social and academic development of our students. Field trips are age appropriate, fun, and interactive learning that is taking place outside the classroom. Each grade may take one class field trip per semester. Notice of the trip will be sent to the parents in advance and every student going on a field trip must have a permission slip. Parents are welcome to go along. All chaperones must be 21 years of age or older. All students should attend these trips. Absence from a scheduled educational field trip will count as an absence unless an excuse is given. Parents should be aware that there is often a fee to attend these trips. Pre-K-1st grade will have parents drive their own child due to car/booster seat needs. Grades 2nd-8th may ride the bus/van if

arrangements have been made by the teacher or use parent vehicles to transport.

Make checks payable to First Baptist Christian Academy or FBCA. FBCA accepts cash, money orders, and checks. There is a \$10 charge for all NSF checks or ACH credits returned to FBCA for any reason. After two (2) checks are returned due to insufficient funds, payments must be made in CASH or MONEY ORDER. This applies to any and all payments to FBCA.

Overdue Payments

If payment has not been paid in full by the 17th of each month, or special arrangements have not been made, an additional late fee of \$50 will be charged.

Report cards/school records will be held until all fees are paid and/or school property returned. Late fees will accrue if a returned check causes actual payment to fall after the due date.

If any account becomes 45 days overdue, and no special arrangements have been made, the student will be withdrawn from the school. Records will not be released until fees are paid.

Refund Policy of Tuition and Supplies

Parents are responsible for tuition and for any month in which the student is in attendance. No pro-rated refunds will be given for partial months unless the school asks the student to withdraw. Only used school supplies and used consumable workbooks will be returned if a student is to withdraw during the school year.

LIBRARY

FBCA provides a library for the reading instruction and pleasure of its students which includes respectable literature. Students in Kindergarten through 5th grade attend library class once a week. Returns and renewals are done during library class. Middle school students may visit the library during a designated time agreed upon by the librarian and the MS reading teacher. On campus, students must read books from the school library or get approval for outside books.

LUNCHES

FBCA offers hot lunches for students that are outsourced through a catering company. A monthly menu will be sent home for parents to indicate what lunches they would like to buy. Parents must pay for the lunches being bought at the time the menu is due. Late lunch forms will NOT be accepted. Students may bring lunch from home. Students are not allowed to bring any cold drinks (Coke, Dr. Pepper, Sprite, etc.). Lunches should take no longer than 2 minutes to heat. Parents should include everything that is needed to eat the meal such as plate, napkins, forks or spoons. FBCA does not supply these items.

Individual students may not have food delivered to the school from outside establishments. If students bring in lunch from a restaurant, it should be repackaged. Lunches will be eaten in the classroom or an alternate location if approved by a supervising staff member.

MEDICAL GUIDELINES

State law prohibits teacher/staff from dispensing medication. A student should not have medication of any kind on his person/locker/back sack, etc. A parent should keep his/her child out of school if they have been vomiting, had diarrhea, complains of sore throat or has had fever in the last 24 hours. For any and all prescription and non-prescription medication, the child must have a medical release form filled out and on file. These should be filled out completely and returned with the corresponding medication.

Parents may come to school and administer medicine themselves. In the event of an emergency or the parent finds it necessary for their child to receive medication during school hours, the following steps must be taken:

1. Obtain a written order for each medication to be given at school, including annual renewals at the beginning of the school year. Orders dated before July 15th of the school year will not be accepted. No corrections will be accepted on the physician's medication order form. Alteration of this form in any way or falsification of the signature is grounds for prosecution. Orders for multiple medications on the same form, an incomplete form, or a form with a physician's stamp will not be accepted.
2. Obtain a prescription for all medications to be administered at school including medications that might ordinarily be available over

- the counter. Only the physician may write on the medication order form. Cough drops are considered over the counter medications.
3. Arrange for the same delivery of medication to and from school by an adult in a properly labeled container as dispensed by the pharmacist. A 20-day supply is the maximum supply allowed at the school at any given time. The parent/guardian will need to get two containers for each prescription from the pharmacist in order that the parent/guardian, as well as the school, will have a properly labeled container. If the medication container is not properly labeled and does not match the physician's order exactly, it will not be given.
 4. Provide an authorized form that contains the following information:
 - a. Student's name
 - b. Clear instruction for school administration
 - c. RX number, if any
 - d. Date
 - e. Student's diagnosis
 - f. Name of medication, amount of each school dose, specific time of school administration, route of medication and reason for medication
 - g. Physician's or dentist's name
 - h. The parent's/legal guardian's printed name and signature.
- *medication left in the office after June 1st will be destroyed

Emergency Medical Release Forms

Medical Release forms are filled out by the parent at the beginning of the year. Copies are kept in the student's file. This form gives permission to have a child treated in case of emergency and/or to administer prescribed medication. These are taken by the teacher on all field trips. Please update these when necessary.

Immunizations

Louisiana State Law requires that all pupils must have current immunization information on file in the office. Check with your physician to assure up to date immunizations. Parents are required to keep immunizations current. Registration cannot proceed without complete records.

Communicable Diseases

If a child is absent from school due to a communicable disease or absent for five or more consecutive days due to illness, he should present a doctor's excuse of recovery upon returning before being admitted to class. Children should not be allowed to attend school if they are showing definite signs of illness, such as fever, nausea (vomiting), excessive head congestion, etc. Children should be free of fever for at least 24 hours before returning to school. Children having such symptoms will be immediately isolated and the parents will be contacted to pick them up. We will allow children to stay at school if their temperature is 100 degrees or less. If it is 100.1 or higher, we will ask that you come and pick up your child. If your child complains of not feeling well, and their temperature is anywhere from 99 - 100 degrees, we will contact you and let you make the decision as to how you want to handle it.

Lice

When a student is found to have an active infestation of lice as by the presence of live bugs or nits, the parent or guardian will be notified. The principal will make a professional judgment regarding exclusion arrangements depending on her assessment of the situation. Students will be expected to be checked in by the principal or other trained staff member after appropriate treatment has been received at home. A parent or guardian will be expected to bring the child to school for the readmission check. If the student is found to have continued active infestation (live bugs and/or no progress in nit removal) the parent will be instructed to take the student home for further treatment. Teachers will be notified when a student in the classroom has head lice. A letter will be sent to the children's parents/guardians of the affected classroom. The letter will provide recommendations for health care.

Recess and/or P.E.

We discourage keeping students in at recess or P.E unless absolutely necessary. If it is needed, a note to that effect should be brought to the office. A copy will be made and given to the child's teacher/P.E. teacher. P.E. teachers will honor a parent's request up to 3 days, after which a statement from the child's doctor will be required if the student is not to participate in P.E.

Injuries During School

Minor injuries occurring during school hours will be treated by the office personnel or teacher with the use of first-aid materials. In the case of serious injury or illness, emergency procedures to obtain medical or hospital care will be followed and parents notified.

METHODOLOGY

A traditional teaching methodology is used in the classroom. This includes lectures, demonstrations, and audiovisual presentations by the teacher. Questions and answers, class discussions, debates, written assignments, and class projects are used as appropriate to enhance learning. Most classes have regular homework for review and for reinforcement of learning. Concepts are reviewed in class, and then tested to assure mastery by the students. Report cards are given every nine weeks to report the overall average in each subject.

PHONE USE

Office phones should be used for emergency calls only. Leaving materials, homework, projects, etc., is not considered an emergency. All students should know before arriving at school how they will be leaving at the end of the school day unless an emergency occurs.

PLEDGES

All students are expected to stand and say the pledges each morning. The pledges are listed below in order to help your child memorize them.

Pledge to the American Flag:

I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

Pledge to the Christian Flag:

I pledge allegiance to the Christian flag, and to the Savior for Whose kingdom it stands, one Brotherhood, uniting all Christians, in service and in love.

Pledge to the Bible:

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path, and will hide its words in my heart, that I might not sin against God.

SAFETY DRILLS AND DISASTER PROCEDURES

Fire Drills

1. A fire drill will be held once each school month.
2. When the fire alarm rings, students will file outside to their designated places. The students must be in single file, and they may NOT talk.

3. Grade books should be taken by the teacher while leaving the building. The classroom doors must be closed, and the lights should be turned off. Just as soon as the students are outside, the roll should be called. It is the teacher's responsibility to make sure that all of his/her students exit the building.
4. After the principal is assured that everyone is out of the building, the students and teachers will be informed to return to the building.
5. All personnel and visitors are required to evacuate the school building.
6. Running is not allowed; however, all must exit quickly.

Lockdown

In case of an intruder or a dangerous situation, an announcement will be made with the following code words.

1. Code Yellow- Caution- be alert. The school has been notified that there is a possibility of a hostile situation at the school or a nearby location. Be ready for a total lockdown, if necessary. Students should be brought into the classroom if not already there.
2. Code Red- Total Lockdown-All doors should be locked/secured, windows covered; keeping children out of view of windows and away from doors.
3. Code Green- All Clear- Teachers may unlock or unsecure doors and allow children to return to their regular seats.

Tornado

A tornado drill or tornado watch will be announced over the intercom system.

1. Teachers will have their students quickly line up in the hall and in a single file against the wall next to their classroom.
2. Students will get on their knees, facing the hall wall, duck, and cover their head with their hands.
3. An all clear will be given by administration when the drill or tornado watch is over.

SCHEDULING ACTIVITIES

To avoid conflicts of events, all activities of school related groups are to be cleared through the school principal and the First Baptist Church office. The only student activities permitted will be those officially approved by the school principal.

STUDENT ATTENDANCE

The State Attendance Laws require that a student be in attendance a minimum of 160 days (of 330 minutes each) per school year in order for a student to progress to the next grade level. Each employee is required to emphasize the importance of good school attendance. The principal establishes whether an absence is excused or not excused. Excused absences include personal illness, illness or death in the immediate family, doctor or dentist appointments, participation in school activities, extremely dangerous weather or road conditions, and unusual circumstances approved by the principal. If a student were to be absent, the office may be contacted and assignments may be sent to the office, so that the parent may come to get the student's assignments.

Absences:

1. Students may not miss more than 10 days of school per year to receive grades for that period. Missing more than 10 days per year may result in failure to be promoted. Exceptional cases, such as extended illness, may be exempted by the principal, but in such cases, a doctor's note or other supporting evidence must be submitted at the time of occurrence.
2. **When a student receives his/her fifth absence from school, the teacher will notify the parent and principal.**
3. Excuses are required when a student is absent. The excuse must be dated and signed by a parent/guardian or a physician. Excused absences include personal illness, illness or death in the immediate family, doctor or dentist appointments, participation in school activities, extremely dangerous weather or road conditions, and unusual circumstances approved by the principal.
4. Teachers are to file all excuse/tardy slips in a folder.
5. When a student is absent, the office may be contacted and assignments may be sent to the office where the parent may pick them up.
6. When a student leaves early, the parent must go to the office and sign their student out. If a student were to be tardy, the parent must sign their student in.

Tardiness:

A student is tardy if he or she arrives in class after 8:00 a.m. An excused tardy will be for doctor appointments, car trouble, or severe traffic or weather conditions as approved by the principal.

Excessive tardiness needs to be brought to the attention of the principal.

1. Students with excessive tardiness to school will not receive Perfect Attendance recognition.
2. The office personnel will send the student to class after recording on the tardy log the date, time, reason, and acceptability of the excuse.
3. On a student's 5th tardy of the nine weeks, he/she will receive a half day absence.

Makeup Work:

It is the student's responsibility to check with the teacher for all school work missed due to an absence. A student is discouraged from depending on classmates alone for this information. Each student should talk with each teacher the first day back in class in order to avoid receiving a "0" on work left incomplete.

1. A student with an excused absence has the same number of days to make-up work missed as days absent from class.
2. In special circumstances, the teacher is authorized to give extensions for completion of make-up work.

Early Dismissal

Students are required by law to be in school. Students will be granted an early dismissal for emergencies and for medical and dental appointments when those appointments cannot be scheduled outside school hours. All other activities should be scheduled after school.

- a. Students excused for a medical or dental appointment are expected to return to school at the end of the appointment, if time permits, and check in at the front desk immediately upon returning to campus. A physician's note is required or the absence will be unexcused.
- b. So that the school can fulfill its responsibility to parents concerning student safety, parents are required to sign their child out at the front desk.
- c. In order for a student to be counted present for half day attendance, he/she must be present 25%-50% of the school day. In order for a student to be counted present for the entire day, he/she must be present 51% or more of the school day.

VISITOR PASS/SIGN IN

All parents and visitors must go to the receptionist office to receive permission prior to visiting the classroom. They are not permitted to visit the school campus without the permission of the school receptionist or Principal. They must dress and act in a manner consistent with school policy.

WORSHIP

Worship will be held each Wednesday. Worship for PreK-2nd grade is held at 9:00 AM and 3rd-8th graders meet at 8:05 AM. Worship services are held to give students and teachers an opportunity to worship, sing, and fellowship together. The chaplain, pastor, staff, students, or outside speakers lead in worship services. Attentive, reverent, and courteous conduct that is honoring to the Lord should always be observed. Parents will be notified of dates and times for special events with combined worship services. All parents, legal guardians, and friends are invited to attend worship services.
