## BEFORE AND AFTER CARE PROGRAM

### Overview

FBCA is pleased to provide a quality Before and After Care Program that meets the needs of parents who require before and/or after school supervision for their school age children in preschool through eighth grades. At FBCA, our program provides a safe, fun and nurturing environment. The hours of operation for the program are from 7:00 to 7:40 am before school, and from 3:15 to 5:30 pm after school, every day that school is in session. If there is a late start or early dismissal due to half-day dismissal, weather conditions, etc., before and/or after care will not be provided. During their time of care after school, children receive a snack and are encouraged to do their homework.

### Tuition & Registration Information

Parents interested in participating in the program should complete a registration form and return it to the school office. The school does not profit from this service. All money covers paying the workers and snacks for the children.

### Before and After Care Fees

There is a registration fee of \$20 per family for the program, and it is due along with the application. This covers the insurance needed for before/after care and the snacks for the first week. A \$10.00/5 minute/child fee will assessed to parents who pick up their children after 5:30 pm. The fee will be due that day. Children will not be permitted to attend the program until the late fee is paid.

**Registration: \$20.00** - per family and is non-refundable.
