May 28th at 6:00 pm- Kindergarten graduation- Students wear Sunday best.

June 1st at 8:30 am- 1st -8th grade- Students need to wear solid white shirts and khaki bottoms. Girls may wear white dresses.

We raised \$4,000 through our baby bottle campaign with New Life Counseling. Because of your generosity, this ministry will continue to meet the needs of moms and support new life.

Thank you for showering our teachers with love and appreciation week before last! We are so thankful to be surrounded by amazing families that support and encourage us daily.

We have already started making plans for next school year!! We are very excited about what the Lord is doing here and want to give you opportunities to be a part of it. We will be offering student internships to some of our middle school students next year. This program will be a part of their leadership training class. Students will have an opportunity to apply, learn, and even experience "on the job" training. If you are interested in helping our students, please contact Jade Comeaux at 855-9075 or jcomeaux@fbcamb.org. Your time commitment would consist of allowing 2 students to shadow you for 1/2 of the day. Thank you!
