Last Day of School

We will dismiss at 11:30.

We just wanted to say how much fun we had with our FBCA family on Friday at our Color Run! Thank you for coming out and spending the day with us. Also, we are so thankful for the hard work and generosity we have seen from our families with the fundraiser. We raised \$174,000 which was more than double our goal. Mrs. Vinson shared a more detailed testimony on our school Facebook if you want to check it out. We are excited and thankful for all that God is doing at FBCA.

## Spiritual Emphasis Week

The mission of FBCA is to equip the mind and disciple the heart of each student for Christ-like living. Spiritual Emphasis Week is a Christ-centered, intentional, and purposeful opportunity for students' minds to be

enriched by God's Word, for their hearts to grow in love for Jesus, and for them to put their faith into action. We are hosting Mr. Justin Coffey with Xtreme Obedience ministries to impact our students with the truth of God's Word this week. Every morning during Spiritual Emphasis Week, K-8<sup>th</sup> grade students gather together to worship God and receive powerful, relevant, and meaningful teachings from Mr. Justin and his loyal Labrador and spaniel companions! Please pray for your students this week that God will speak to their hearts and that hearts and lives will forever be changed! Parents are welcome to attend these chapels. They start at 8:05 in the old sanctuary.

## TEACHER APPRECIATION WEEK THIS WEEK!

We are so thankful for the VLC (Volunteer Leadership Committee). THANK YOU to all our parents who donated to the VLC to make Teacher Appreciation week a special one for our teachers! We love our families!
